Magic City Soccer Club Financial Aid Information

The Magic City Soccer Club has established a financial aid fund to help qualifying players with fees and expenses. The fund is limited, and the club has established the following guidelines to help assess your qualification for financial assistance. If your annual gross income is at or below the level noted below, you might qualify for Magic financial assistance (from Montana's Statewide Student Assessment program):

Family Size	Income for 2010-2011
2	\$26,955
3	\$33,874
4	\$40,793
5	\$47,712
6	\$54,631
7	\$61,550
8	\$68,469
>8, for each additional person, add \$6919	

Assistance is available as follows:

1. One-half of the club tryout/registration fee will be provided.
2. Tournament food and lodging assistance will be provided as follows:

Magic will provide \$20 per day for food and \$30 per day for lodging for at least two out-of-town tournaments, depending on available funds. Players will attend a state cup and at least one other tournament. Tournaments are typically two or three day events. The maximum reimbursement for a tournament will be \$150, assuming the tournament required a three night stay and three days of meals.

The maximum amount of assistance for food and lodging granted to each qualified player will be capped at \$300 for the season.

To receive tournament reimbursement, submit a Request for Tournament Reimbursement by Aid Recipient, attach receipts, and turn into the Magic office by June 30th.

To apply for Magic financial assistance, you will be required to confirm your income level by providing a copy of your Federal 1040 Tax form from one of the last two years. This information will be reviewed by the Financial Aid Director and be kept strictly confidential. Application forms can be obtained from magiccitysoccer.net, at the Magic office, or by mail from the address above.
